

## Grade 9 Complimentary Courses (Options) 2026-2027

March 19, 2026

Dear Grade 8 Families,

St. John XXII Junior High has begun planning for the 2026-27 school year! We are excited to be offering complimentary courses to expand students' studies. These classes offer students an opportunity to explore different courses, learn new skills and build new relationships with other students.

Students are asked to rank their choices of complimentary courses, with the idea that the most popular choices will be the ones the school will offer. Thus, not all listed possibilities will be used as numbers will drive scheduling.

Students are asked to number their choices in order of preference from 1 to 6, with 1 being the **MOST** preferred choice to (1=first choice, 2=second choice, etc.) the **LEAST** preferred choice. Complimentary courses offered will be based on the top choices and time slots. While most courses will be half year, Music is full year. Incomplete ranking will result in students being assigned to courses by administration.

Please complete and return the information to the school, **no later than April 24, 2026.**

Thank you  
Mrs. J, Dron  
Assistant Principal  
St. John XXIII Elementary Junior High School
