

Grade 7 Complimentary Courses (Options) 2026-2027

February 2, 2026

Dear Grade 6 Families,

Welcome to St. John XXII Junior High! We are excited to be offering complimentary courses to expand students' studies. These classes offer students an opportunity to explore different courses, learn new skills and build new relationships with other students.

Students are asked to rank their choices of complimentary courses, with the idea that the most popular choices will be the ones the school will offer. Thus, not all listed possibilities will be used as numbers will drive scheduling.

Students are asked to number their choices in order of preference from 1 to 6, with 1 being the **MOST** preferred choice (1=first choice), (2=second choice) etc. and 6 being the **LEAST** preferred choice. Complimentary courses offered will be based on the top choices and time slots. While most courses will be half year, Music is full year. Incomplete ranking will result in students being assigned to courses by administration.

Please complete and return the information to the school, **no later than April 24, 2026.**

Thank you
Mrs. J, Dron
Assistant Principal
St. John XXIII Elementary Junior High School

Grade 7

Student Full Name: _____ (Please Print)

Parent/Guardian Signature: _____

Program: **French Immersion** **or** **English Program** (Please Circle one)
